Statement submitted by the Secretary-General in accordance with rule 153 of the rules of procedure of the General Assembly

1. At its 54th meeting, on 8 December 1993, the Third Committee adopted, without a vote, draft resolution A/C.3/48/L.40 as orally revised. A statement of programme budget implications was before the Committee in document A/C.3/48/L.82.

A. Requests contained in the draft resolution

2. Under operative paragraphs 7 and 9 the General Assembly would:

(a) Request the Secretary-General to appoint an expert, working in collaboration with the Centre for Human Rights and the United Nations Children's Fund (UNICEF) to undertake a comprehensive study of this question, including the participation of children in armed conflict, as well as the relevance and adequacy of existing standards, and to make specific recommendations on ways and means to prevent children from being affected by armed conflicts and to improve the protection of children in armed conflicts and on measures to ensure effective protection of these children, including against the indiscriminate use of all weapons of war, especially anti-personnel mines, and to promote their physical and psychological recovery and social reintegration, in particular, measures to ensure proper medical care and adequate nutrition, taking into account the recommendations by the World Conference on Human Rights and the Committee on the Rights of the Child;

(b) Request the Secretary-General to submit a progress report on this study to the General Assembly at its forty-ninth session.

B. Relationship of the request to the proposed programme of work

3. The above request is related to major programme VII, Human rights, fundamental freedoms and humanitarian affairs, programme 35, Promotion and protection of human rights, of the medium-term plan for the period 1992-1997, as revised. 1/ Related activities are reflected under subprogramme 2, Elimination and prevention of discrimination and protection of minorities and vulnerable groups, of section 21, Human rights, of the proposed programme budget for the biennium 1994-1995. 2/

C. Activities by which the request would be implemented

4. Should the General Assembly adopt draft resolution A/C.3/48/L.40, the Secretary-General would appoint an expert to undertake the requested study. This expert would work in collaboration with the Centre for Human Rights and UNICEF. The expert would undertake three trips to Geneva, each for a period of five working days, in order to hold consultations at the Centre for Human Rights, to review documentation and other pertinent material received and to consult with Governments and non-governmental organizations. The expert would present the progress report requested in operative paragraph 9 to the General Assembly and consult with UNICEF.

D. Modifications required in the proposed programme of work for 1994-1995

5. Should the General Assembly adopt draft resolution A/C.3/48/L.40, the following activities would be included under subprogramme 2, Elimination and prevention of discrimination and protection of minorities and vulnerable groups, of section 21 of the proposed programme budget for the biennium 1994-1995:

(a) Parliamentary services: progress report to the General Assembly on the study of means of protecting children in armed conflicts.

Round trip to New York by the expert to present his report to the General Assembly (five days)	3 500
Total	15 000
